Update on 2017 Financial Statements

2 August 2018

Trust Re, an international reinsurance company writing Facultative and Treaty business, headquartered in the Kingdom of Bahrain has today confirmed a delay in releasing its Consolidated Financial Statements for the year ended 31st December 2017.

Due to additional regulatory requirements, its audit extension has resulted in a delay in the publication of its financial results.

Trust Re, being a customer-centric organisation, continues to deliver services at the same high standards to which its clients and business partners are accustomed.
